

An Tir Darts Rules

by Geoffroi Fitz George, An Tir Kindom Deputy of Darts

Rules

- A speed round of 10 seconds will be thrown from the 10 foot distance.
- In the speed round you will throw as many darts as possible, one at a time.
- All distances will be measured, not paced.
- The order of throwing will be as follows: first 10 feet; second 15 feet; lastly the 10 foot speed round.
- The person running the dart range will mark the 10 and 15 foot distances in advance.
- All scores will be recorded and sent to Master Baron Julian Edward Farnsworth.
- The speed round will be counted as follows 5-4-3-2-1-throw, 5-4-3-2-1-hold. A tape recorder may be used, but the time recorded must be an actual 10 seconds.
- Dart season will be from December 1 thru November 30 each year.

Target

- Target will be placed 5 feet from the ground to center of the target.
- Four darts will be thrown from 10 feet away from the target.
- Four darts will be thrown from 15 feet away from the target.

Target Construction

- A 40 cm square, 5 color face, 10 ring target will be used backed by a 2 in thick piece of Styrofoam. Target colors are yellow, red, blue, black, and white.
- Center ring will score 10 points.
- Each ring going out will decrease in value one point
